

THE MARKET REFERENCE

Its superiority is due to the use of higher quality materials and the tubes assembly welding, which ensure optimal resistance and durability. In its rich and high quality equipment, you will find some of the Zodiac Nautic patented units such as the rowlock with its three-dimensional adjustment or the dump with inner control, more comfortable and safe to use. Available in 3 floor options (depending on the size), to be selected depending on the available storage capacity on your unit
